

# Bayou Woods Elementary School Typing Agent Guide for Parents

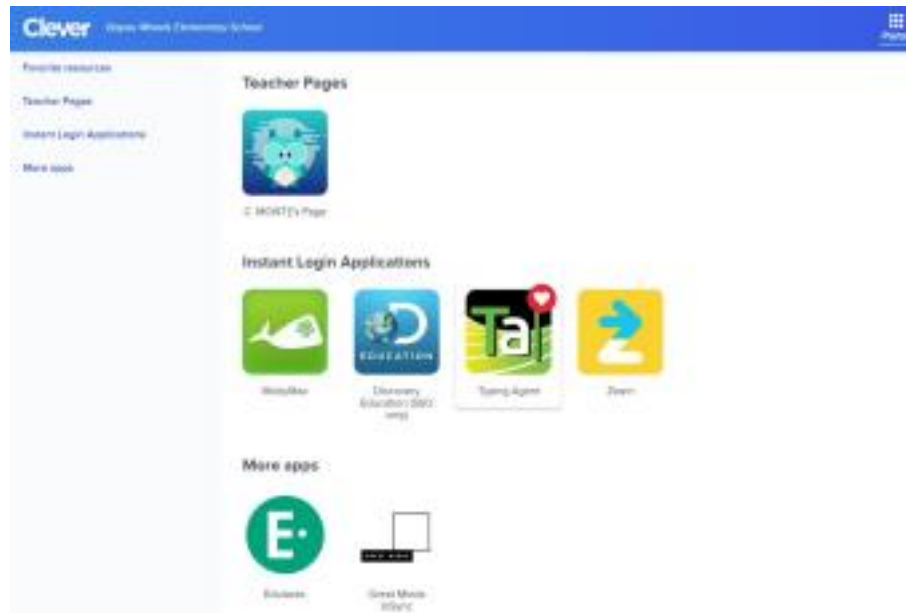

## What is Typing Agent?

Typing agent is a program that delivers the perfect keyboarding curriculum pinpointed to each student's individual proficiency level at just the right time. It has a Digital Citizenship Curriculum that will prepare students to be discerning Digital Citizens. Students learn with keyboarding gamification. As students progress through their keyboarding lessons they earn badges, GritCoins, and Experience Points to play exciting games, unlock levels, customize their avatars and more. Students are introduced to the concept of coding, type HTML, Java Script Python, and build their own keyboarding game.

## How do I get to Typing Agent?

You can access Typing Agent two different ways.

One way is using the Clever Portal. You can find a link to the Clever Portal Guide for Parents on our website. This is the preferred way of access.

Another way is to go to the website itself by typing in this url:

<https://app.typingagent.com/site/login>

You will click the blue “C” that says to Log In with Clever.

Forgot Password?

If the student is already logged into Clever they will automatically be directed into the program. If they aren't they will be required to log into Clever

Students will Log in with their Username and Password.

Usernames are the student's school issued Student ID number

Password is the following formula: Capital first letter of their first name. Lowercase two letters of their last name followed by an ! and the last four numbers of their student ID.

Example: Student: Jane Doe Username 12345678 Password: Jdo!5678

\*\*\*\*\*Username and passwords are managed by the school. If you are unable to log in, please reach out to your teacher for assistance. Clever Support is unable to assist with login issues.

**What does Typing Agent look like?**

After logging in, students will get to the Dashboard. From here students have access to icons that lead them to the different learning resources used in the program.

Dashboards will look different depending on what settings the teacher has enabled or disabled.

3rd grade Students focus on Keyboarding Foundations 3+ and Digital Citizenship. To back to the dashboard from any icon, click the red waffle at the lower right hand part of the screen.

This detailed 30 min video provides a walk through Typing Agent's grade 3-12 student experience and interface.
