Kathryn McDowell
Principal

Sheryl Thomas
Assistant Principal

Dear Parent,

We always appreciate your interest and involvement in your child's education in many ways including PTA, classroom activities, field trips, family nights, etc. We also know that the beginning of each school year is a very anxious time for you and your child when you learn about his/her "new" teacher.

As we begin planning for the 2021-2022 school year, we thought it would be helpful for everyone to be aware of how we "build" classes. Each Bayou Woods student is special and we want each one to love school and love learning. We try to keep our classes balanced, keeping in mind each student's individual needs. We believe that we learn from each other and build on each other's strengths

Please share any specific information about your child and his/her learning styles that you feel would be beneficial. Teacher requests will be considered, although all information must be reviewed so there is no guarantee. Again, we want each student to have the best school year possible and we value any communication between the home and school that will help make that happen.

Please complete this form and return to the front office no later than June 4, 2021, so that your input will be considered when placing students.

Thank you for being a part of our team!

Sincerely,

Kathryn Y. McDowell
