

Gator Talk

November 12, 2021

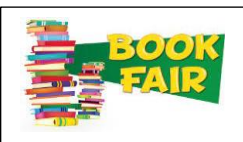

No need to look for photographers for holiday pictures in town!

Barberito Photographers will be here on

Friday, November 19th to take pictures.

Flyers are going home with students today. Pictures will be back prior to Winter Break. Students may wear holiday dress/colors on that Friday. There are a variety of packages available.

BWE Scholastic Book Fair

We are excited that we are holding a fall book fair this Year! Students may make their wish list during their library time, and then can purchase the following day. Please see flyer next week for more details.

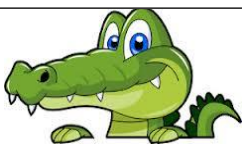

At BWE we are on a Mission to be Leaders! BWE's 2021-22 School Advancement Plan

We are working in many ways to teach our students to lead us into the future. We use our resources including Title I funds to directly support our student needs. We are currently planning our next family engagement event for December when we will be sharing technology tips!

An updated school advancement plan has been posted on our website. Please use the link to reference it. You will see that our plan includes tutors, technology, classroom supplies and materials, family engagement activities and materials, and support staff for both academics and PBIS.

Please ask questions or provide any input.

Quick Look Ahead....

Masks are highly recommended but not required in STPPS schools and buildings. Please communicate with your child's teacher any requests or needs in regards to the wearing of a mask. Masks will be required for students and adults on school buses as mandated by federal law.
