

Gator Talk

November 19, 2021

We are thankful!

We are grateful to have all of our faculty and staff along with each of you and our community as we work together for success and to change the world as Leaders, Explorers and Thinkers! Each of our "little gators" is a blessing and make a difference in our lives.

Their smiles brighten each day and remind us why we teach.

Blessings to each of you during this holiday season.

(No School 11/22-11/26)

Read a good book or do some math talk during the Thanksgiving Break!

We may be off for the Thanksgiving holiday, but our minds are still exploring and thinking! Take time as a family to read a fun book, measure something when cooking, read a store sign, or add money while shopping!

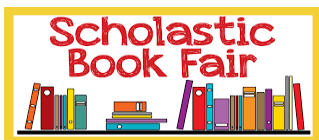

Remember the BWE motto that "Learning is forever!"

Support your child's education by showing students what they are learning at school helps them understand their world and learn more about their world!

Parental Involvement/Assistance

If you or if you know of someone who could help us by painting games on our concrete slabs on our playgrounds, such as 4 Square or Hopscotch, we would appreciate the help.

Please call the school, 985-641-1901 for more information.

Book Fair – when we return!

November 29-December 4

See the flyer to make choices and order!

Quick Look Ahead....

- * Thanksgiving Holidays – Monday, November 22-26, 2021. School will resume on Nov. 29th.
