### **BWE's 2021-22 School Advancement Plan**

Each year, our school completes a review of our data from previous years and uses this information to plan for the next year in regards to resources, services, and programs. Our Title I funds are used directly to support our student needs. An updated plan has been posted on our website. Please use the link to reference it. You will see that we are using Title I funds to provide tutors, technology, classroom supplies and materials, family engagement activities and materials, support staff for both academics and PBIS. Please ask questions or provide any input. We appreciate your support.

### **Daylight Savings Time Ends Sunday, November 7<sup>th</sup>! Sweaters, Jackets, Lunch – Lost Items**

We are gathering many items that have been dropped or misplaced by students. We know it is not easy to replace them.

Please remind your child to check our lost and found in the commons area.

Also, please help us return them to your child by making sure that names are written clearly inside on a tag or even labeled on the outside to make this easier for all.

### **At BWE we are on a Mission to be Leaders! We are thankful to those who are Veteran's and leading the way.**

On November 11 we will recognize Veteran's Day and the contributions Veteran's have made to our country. Veterans demonstrate a commitment to serve, many times during times of adversity. Thank you for your leadership and for serving as mentors for our children and youth.

### **Quick Look Ahead....**

Masks are highly recommended but not required in STPPS schools and buildings. Please communicate with your child's teacher any requests or needs in regards to the wearing of a mask. Masks will be required for students and adults on school buses as mandated by federal law.

**Tonight, November 5 from 6:30 - 7:30 PM, St. Tammany Parish Library a virtual visit with Eric Litwin, best selling author of Pete the Cat!**
