

Bayou Woods Elementary School Reflex Guide for Parents

What is Reflex? Reflex is an online, game-based program that helps students build fast and effortless recall of math facts.

How do I get to Reflex? In the address bar type: www.clever.com. Login with the student's username and password. Select the orange icon that is pictured on this page.

Getting started with Reflex. Students are encouraged to login to Reflex math at least 3 times a week and strive for the green light each time. The Green Light unlocks new games and opens the store.

Your child can utilize the Reflex math program from any device, including smartphones, with internet access throughout the school year from home or on the go. Reflex continuously monitors and adapts to your child's performance to create an optimal experience for them. It is important that others do not use your child's account. You can easily track your child's progress by creating a Free Reflex Parent Account. Use the instructions on the right to get started!

What does Reflex look like?
